

Munkhtenger Munkh-Aldar

Student of Computer Science BSc

👤 Profile

Second year BSc student at Eötvös Loránd University. Enthusiastic, proactive and adaptive individual interested in programming and Mathematics. Actively seeking to learn and make an engaging contribution as an intern to advance my knowledge further.

💼 Employment History

Interpreter at International Intellectual Museum in Mongolia, Ulan Bator

May 2019 — October 2019

- Delivered interpretative programs, tours, and puzzle demonstrations in English for museum visitors.
- Oversaw and maintained the proper functioning of all exhibits and lighting in the museum gallery.
- Interpreted and rendered accurate and engaging artifact information in English to museum visitors.

🎓 Education

Computer Science BSc, Eötvös Loránd University, Budapest

September 2021 — Present

- Currently, I have successfully completed 2 semesters with a 4.81 weighted GPA.
- From the 2022/2023 academic year, I am commencing my third semester with a further focus on building an internship experience.

High School Diploma, Mongol Aspiration International High School, Ulan Bator

September 2016 — May 2020

- In Mongol Aspiration International school, I followed the dual curricula of Cambridge Assessment International Education and General Education of Mongolia.
- During the four years at such an esteemed international high school, I came to lead my peers in academic and extracurricular fields by averaging a 3.8 unweighted GPA and received "Student of the year 2020" award.
